

# AFP2PDF Plus Transform Setup Guide

Before Setting Up

Using the AFP2PDF Plus Transform

Version 1.301

For information not in this manual, refer to the Help System in your product.

1

# Introduction

### Important

To the maximum extent permitted by applicable laws, in no event will the manufacturer be liable for any damages whatsoever arising out of failures of this product, losses of documents or data, or the use of this product and operation manuals provided with it.

Make sure that you always copy or have backups of important documents or data. Documents or data might be erased due to your operational errors or malfunctions of the machine. Also, you are responsible for taking protective measures against computer viruses, worms, and other harmful software.

In no event will the manufacturer be responsible for any documents created by you using this product or any results from the data executed by you.

Do not remove or insert any disk while operating this application.

# **Cautions Regarding This Guide**

- Some illustrations or explanations in this guide may differ from your application due to improvement or change in the application.
- The contents of this document are subject to change without notice.
- No part of this document may be duplicated, replicated, reproduced in any form, modified or quoted without prior consent of the manufacturer.

## **Guides for This Application**

The following guides are available for this application.

## Instruction Manuals

These instruction manuals are included:

• AFP2PDF Plus Transform Setup Guide

This guide explains the setup and startup procedures, and the settings required before you can use this application.

• AFP2PDF Plus Transform User's Guide This guide explains the functions and basic operations of this application.

# How to Read the Documentation

### **Before Using This Application**

This manual contains detailed instructions and notes on the operation and use of this application. To ensure correct operation, read this manual carefully and completely before using this application. Keep this manual in a handy place for quick reference.

### How to Use the Manuals and Help

Use the instruction manuals and field help according to your needs.

### To learn how to install and start this application

See the Setup Guide.

## To learn about the functions and basic operations of this application

See the User's Guide.

#### Displaying the Instruction Manuals (Setup Guide and User's Guide)

Use this procedure to view the instruction manuals.

### Displaying the Setup Guide and User's Guide in PDF Format

# 1. Before Setting Up

# • Requirements

This chapter explains the setup flow and computer requirements of this application.

Read this chapter thoroughly before setting up this application.

# Requirements

To run this installer, your computer must meet the following requirements. Before setup, check that all the requirements are met.

These are the transform client and server requirements and end-user client requirements for the AFP2PDF Plus Transform:

- Transform requirements:
  - IBM AIX 7.1 or later
  - IBM z/OS UNIX System Services V1.13 or later
  - Microsoft Windows 10 Pro, Enterprise or later
  - Microsoft Windows Server 2016 Std or later
  - Linux Kernel 2.6.18 or later (x86), with "fontconfig" package installed.
  - Linux Kernel 2.6.09 or later (IBM System z), with "fontconfig" package installed.
- Transform server requirements: JAVA V1.8 or later
- End-user client requirements: Adobe Acrobat, Acrobat Reader, or Acrobat Plug-In 9.0 or later
- To run the installer, you need to have at least 350 MB of free space in the operating system temporary directory.

# 2. Using the AFP2PDF Plus Transform

- Installing the AFP2PDF Plus Transform using the graphic user interface
- Deploying a license key using the AFP2PDF Plus License key Installer
- Installing AFP2PDF Plus Transform from command line
- Deploying a license key using the AFP2PDF Plus License key Installer from command line

This chapter explains how to install the transform for the first time.

# Installing the AFP2PDF Plus Transform using the graphic user interface

To run the transform, perform these steps:

1. Use the following commands:

#### **Full Version**

java -jar setupafp2pdfPlus\_<version>.jar

#### **Trial Version**

```
java -jar setupafp2pdfPlus_<version>_Trial.jar
```

• Note

- Make sure to copy the following certificate files into the installation directory:
  - AFP2PDF.cer
  - AFP2PDF.pk
  - AFP2PDF.sig

Depending on the capabilities of your operating system, the AFP2PDF Plus transform opens either using a graphical user interface or a command line.

2. On the Welcome screen, click Next to continue the installation process of the transform.

# Installing AFP2PDF Plus Transform from command line

To start the command line installer, perform these steps:

- 1. Open a command prompt.
- 2. Run the following command: java jar setupafp2pdfP1us\_<*version*>.jar to start the graphic user interface installation.

Vote

- You can force the command line installation of the transform by adding the -i console parameter: java jar setupafp2pdfPlus\_<*version*>.jar -i console.
- 3. Follow the installation instructions. The steps are similar as in the graphical installer.

See the AFP2PDF Plus Transform Command chapter from the AFP2PDF Plus Transform User's Guide, Version 1.300 for more information.

# Deploying a license key using the AFP2PDF Plus License key Installer from command line

To start the command line installer, perform these steps:

- 1. Open a command prompt.
- 2. Run the following command: java -jar afp2pdf\_plus\_license\_key\_installer.jar to start the graphic user interface installation.

Vote

- You can force the command line installation of the transform by adding the -i console parameter: java -jar afp2pdf\_plus\_license\_key\_installer.jar -i console.
- 3. Follow the installation instructions. The steps are similar as in the graphical installer.
